POLICY TITLE SUMMER SCHOOL LICENSED EMPLOYEES No. 410.2

The Johnston Community School District may offer summer school options in accordance with law and may, in its discretion offer additional programming during the summer recess. Licensed employees who volunteer or who are appointed to deliver the summer education program are compensated in addition to their regular duties during the school academic year, unless such arrangements are made prior to determining the employee's compensation for the year.

Licensed employees will be given the opportunity to voluntarily apply for the positions available. If the board determines a course must be offered and no licensed employee applies for the position, the board will make the necessary arrangements to fill the position. The board will consider applications of current licensed employees in conjunction with other applications.

It is the responsibility of the Executive Director of Learning and Innovation to make a recommendation to the board regarding the need for and the delivery of the summer education program.
