POLICY TITLE COMMUNITY RESOURCE PERSONS AND VOLUNTEERS No. 903.2

The board recognizes the valuable resource it has in the members of the school district community. When possible and in concert with the education program, members of the school district community may be asked to make presentations to the students or to assist employees in duties other than teaching. Background checks are required on all volunteers. The school district may officially recognize the contributions made by volunteers.

It is the responsibility of the Executive Director of Human Resources in conjunction with the building principals to assure this policy is enforced.
