Lifeguard Certification Classes YMCA OF GREATER DES MOINES

Learn how to effectively prevent and respond to water emergencies. Our courses are designed to arm you with the skills and knowledge to prepare you for a variety of scenarios in and around the water. You will learn how to quickly respond to emergencies both in the water and on land. You will also be trained on drowning and injury prevention, so you can better help those in need.

Lifeguard certification classes require an online course to be completed prior to the classroom sessions. Must be 15 to register.
