

Assistive Technology Consultation For Families

We offer free assistive technology consultation for families of children with dyslexia and other reading disabilities.

Appointment Components

Multiple devices are explained and modeled in relation to assistive technology:

- iPad tablet
- Google Chromebook laptop
- Livescribe Echo Smartpen

Apps modeled include Co:Writer, Snap&Read, Voice Dream Reader and more!

Opportunity to try out devices in the home or at school.

Request an in-person or virtual one-on-one appointment with our assistive technology coordinator today!

In-person appointments are held at the Iowa Reading Research Center offices located on the University of Iowa campus. Virtual appointments are held via videoconference

Karah Kluck
AT Coordinator
