MUSEUM ACADEMY IS A PROGRAM FOR THINKERS—FOR THE CURIOUS, INQUISITIVE, INSATIABLE MINDS WHO ENJOY THE ART OF QUESTIONING AND EXPLORING IDEAS BEYOND SURFACE VALUE.

Museum Academy is a free 13-week exploration that invites teens to gather, question, and experience the ways that museums and art can serve as tools for creative and critical thinking, self-reflection and mindfulness, and shared human connection.

Investigate learning methods like slow looking, visual thinking strategies, and embodied learning and help set a course for new ways of inviting audiences to learn through museums.

Due to limited space, please understand it is imperative for every participant to attend each class date.
